Medal Awarded by the

Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates, as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

MONDAY, APRIL 25, 1870.

GENERAL CLINGMAN.

It is a pitiable sight to see an old man, whose age and the high stations he has filled, if nothing else, should render venerable, following up the "Ring" from one city to another and feeding upon the crumbs which fall from the tables of its members.

The General, like Gov. Holden and others against whom the public have written severe things, charges us with a want of magnanimity. But that is nothing but the effervescence of the old man's passion and prejudice.

When Mr. Kemp Battle waited on us, at the desire of Gen. Clingman, and requested that we should publish a card from him, we agreed to do so, provided the General would first publish in his own organ, the *Standard*, and that we would copy it.

When Mr. Battle suggested that the *Standard* might refuse, because it would contain an attack upon Hon. A. H. Jones, member of Congress from the Mountain District, we told him we would pay for the insertion of the card in that paper as an advertisement, and then copy it in the SENTINEL. Accordingly, the General's card appeared, as an advertisement in the *Standard*, on Saturday, and we are ready to day to pay the bill, and will copy the card to-morrow, as we promised.

Mr. Battle will testify that we sent the General word that we preferred this course because it would be the best means of informing Jones' constituents of his infamous conduct in offering himself as a subject for bribery and corruption, and not for the purpose of wronging General Clingman. *Fiat justitia ruat cœlum!* The General's letter shall appear if it crushes us into an impalpable powder.

We will pay for the advertisement also; although the General is better able to pay than we are, for he has a written obligation from Swepson to pay him ten *per cent.* on his agency in the Florida affair, besides which he has Littlefield's note, or bond, or check for $15,000 for services rendered, and a promise from the same party for $10,000 in cash additional.

We might have kept this matter a secret, but Jones will tell it in his next letter, which we design publishing as soon as out. These iniquities, like murder, will out sooner or later.

As we said, we shall publish Mr. Clingman's letter to morrow, and then will be seen a little episode in Mr. Jones' Congressional career. Let the people read and draw their own inferences.

COMPLIMENTARY.

A correspondent of the *Standard* of Saturday, who signs himself "Amicus Veritas," in speaking of the scientific, legal and christian qualifications of L. P. Olds, Esq., for the position of Attorney General, to which he was appointed by his father-in-law, the Governor, very pertinently observes:

"However many improper and injudicious appointments Gov. Holden may have made, the appointment of L. P. Olds to the Attorney Generalship, I think, is not one of them. The fact, that he is son-in-law to the Governor ought not to be an objection to him. Whatever else may be said against the Governor it is commendable in him to take care of his kinfolks when no injury is thereby done to others, as we maintain is not in this case. In that course he is justified by the very highest authority," (alluding to President Grant, no doubt.) "He would be derelict in his duty not to do so '*cæteris paribus*.'" Therefore "render unto Cæsar the things that are Cæsar's."

We cannot but admire these evidences of family affinity and appreciativeness, and the feeling would be intensified if we could include into the general picture the idea that "Daddy Cowles" and "Amicus Veritas," are one and the same person, which we think highly probable.

The whole thing is feelingly, lovingly, beautifully and satisfactorily arranged—the Attorney General's qualifications is the subject of consideration—"Amicus Veritas," (supposed to be brother Calvin,) says they are good in a scientific, legal and christian point of view—hence "Dad" is justified in making the appointment, and more so on account of the obligation (backed by the very "highest authority,") of providing for his "kinsfolks;" and brother Joe publishes the whole in the Governor's organ, for the enlightenment and approbation of an appreciative public.

We know of but one parallel case in this city, though there may be others that we have not yet heard of. The case alluded to is that of Cape Cod Ashley, Superintendent of Public Instruction, who receives, himself, a salary of $2,400 per annum, draws $1,500 as salary for his son who acts as his clerk, while another member of his family receives $75 per month as teacher in the Deaf and Dumb Institute, a position for which this occupant lacks important qualifications, making the sum of $4,800 in all, paid to the Pilgrim and his "kinsfolks" out of the taxes of the people. But *he*, too, has the "very highest authority" for this comfortable arrangement.

JUDICIAL CORRUPTION.

We have frequently alluded to official, and especially Judicial, corruption, in our State, but not more frequently than the occasions have justified. The Judge of this judicial circuit is believed by many to be guilty of receiving a bribe.

The Legislature had an opportunity of checking the corruption so common, but did not do it, because it was itself corrupt. We think that old King Alferd of England who hanged forty-four Justices and Judges for false judgment could find ample employment in our State, if he were living at the present time.

Judge Watts [illegible]ces the Bench by his unclean and greasy appearance, by his drunkenness and by his association with felons.

In the case of the two young men, Holleman and Utley, arrested on a Bench warrant and ordered to jail before a hearing, his conduct was infamous. The facts of the arrest of these young men can be learned from the letter of Mr. William Holleman, in another column, and the proceedings in the case.

When the father protested against the imprisonment without a hearing, Mr. Bock, Deputy Sheriff, stated that he was acting under the Judge's order. This the Judge has since denied, but his conduct has been such in the whole affair as to greatly weaken the force of his declaration. Read Mr. Holleman's letter.

THE REASON OF IT.—We understand Judge Watts says the SENTINEL is a dirty sheet. No wonder, when his name figures in its columns so often.

For the Sentinel.

RALEIGH, April 23, 1870.

MR. EDITOR:—I am an ignorant man, not able to write what I want, but have to do so, through another. I have had the peace of my family disturbed by two white men and two negroes, who arrested my son William, and my son-in-law, James Utley, and brought them to Raleigh and put them in jail without giving them any opportunity of defence. When I saw them entering the jail, I ran to inform the officers, that they had no right to do so but they would not listen, and said the Judge had ordered it. I saw my children shut up in jail without a hearing.

They remained there from near mid day to near night, nor could I find a lawyer who would move to have them brought out until about 5 o'clock. I know this much; if it had been Gov. Holden's son or some Judges', or great man's son, in jail, without a shadow of law to put him there, the jail doors would have been beat from their hinges and their children released.

I think my children, though poor, entitled to the protection of the law as much as if I were a Judge or a Governor. The public will not care or feel for the distress which the imprisonment of my children brought upon their young wives, left alone in a neighborhood where negroes had threatened to murder all from the cradle up.

I feel no fear that my children will be convicted for they are not guilty. My son was shoemaking about the time the negro swore he was whipped; he will be able to prove it, by both white and black. I heard the Judge deny that he ordered my children to jail. The officers say he did; which of them lies? We have a white Sheriff and Deputies enough to make arrests without deputising insolent negroes to arrest white men. There was no necessity for this, except to insult the white man, and parade him through the streets of the city for the mockery of a few hundred negroes who are kept there in idleness to carry the election and control the county.

Raleigh and its idle negroes will learn that there are white men in the county of Wake who do not live by their votes.

When it came to bail, the Judge required $10 000 for each defendant. He refused as bail Mr. Jesse Norris, alleging that he had been convicted of an infamous offence, which was a falsehood and slander.

As to the troubles in my neighborhood, they are of long standing, all growing out of lazy white men about Raleigh using the negro as a means of getting office.

At a public meeting of the whites some two years ago, the negroes with drum and fife, marched through and about where the whites were assembled for the purpose of provoking a collision.

Some weeks ago notices were stuck up to the effect that there was 150 or 200 persons in a certain band, and if any one of them were Ku Kluxed every house, barn and mill in the neighborhood should be burnt. Sam Clements bought a large quantity of ammunition, as he said, to shoot Ku Klux. He has a bad character in the neighborhood; some body whipped him, and my children have been made to suffer for it. The most worthless and dangerous man in society is the man, who, too lazy to work, lives upon office bestowed by negro votes. This city seems to be full of them.

One negro, who gets drunk and dresses fine, has money and does no work, called publicly on the streets to have my children shot down. When the negroes, through their secret societies, begin shooting, I shall have an eye on him.

If you will publish this Mr. Editor, you will oblige one who, though not able to write, knows his rights and will dare maintain them.

Respectfully yours,
WILLIAM HOLLEMAN.

TOWNSHIP MEETING.

At a meeting of the citizens of Barton's Creek Township, held at J. H. Hutchinson's store, on Friday, April 22d, 1870, J. M. Rarely was called to the chair, and Jno. D. Allen requested to act as Secretary.

A Committee was appointed to draft resolutions for the consideration of the meeting, who reported the following:

Resolved, 1st. That this meeting shall nominate candidates for the various offices of this township, and appoint delegates to a County Convention to be held hereafter, at Raleigh.

Resolved, 2nd. That we condemn in the strongest terms, the course of the past Legislature in their prodigal waste of the public money and their protection of men who were notorious plunderers of the public Treasury.

Resolved 3rd. That we are opposed to carpet-baggers ruling our State, believing that we have men, native born, who understand the wants and wishes of our people, and have the honesty and integrity to manage our affairs in the interest of the people and honor of the State.

Resolved 4th. That we fully endorse the Address issued by the Conservative members of the Legislature, as sensible, timely and proper.

Resolved 5th. That we will support the nominees of the County Convention to assemble in Raleigh for the nomination of members to the Legislature and other county officers, also the nominee of the district Convention for member of the Senate.

Resolved 6th. That there shall be no divisions among us, therefore we will support the nominees of this meeting for Township Officers.

These resolutions were unanimously adopted.

A committee was appointed, consisting of J. B. Lassiter, W. A. Atkinson, Dudley Reed, J. H. Bell, David Ray and Joseph Yeargin, to recommend to the meeting suitable persons for the township offices.

The committee after consultation recommended the following: For Magistrates, J. M. Rarely and W. S. Thompson; for Clerk, J. D. Allen; for Constable, J. R. Nipper; for School Commissioners, J. B. Lassiter, W. C. Bledsoe and P. M. Mangum. These nominations were unanimously endorsed.

A resolution was also adopted endorsing the SENTINEL and thanking the editor for his bold and fearless course in exposing the frauds of government officials.

Also a resolution empowering the chairman to appoint ten delegates to the County Convention.

Then on motion the meeting adjourned.

J. M. RARELY, Ch'm.

JOHN D. ALLEN, Sec'y.

PRELIMINARY EXAMINATION OF JAMES UTLEY AND JAMES HOLLEMAN BEFORE JUDGE WATTS FOR ALLEGED KU KLUXISM.

FRIDAY, April 22.

While the Court was engaged upon the civil docket, F. H. Busbee of counsel for the defendants arose and stated that Jas. Utley and Jas. Holleman had been arrested under a warrant issued from the Bench, and the papers had not been returned, yet the accused had been thrust into jail. He moved that the warrant together with the prisoners be returned to open Court, and the Sheriff required to inform the Court by what authority these men were incarcerated without a hearing.

The Judge in reply to an interrogatory as to whether he had ordered the men to jail, merely said that the papers had not been returned to him, and that as soon as the warrants were returned and the civil docket gone through with, he would hear the case.

Gov. Bragg in behalf of the defendants insisted that the officer in whose possession the warrants were, should be required to return them and the prisoners brought into Court.

The Judge, after some delay, directed the warrants, to be returned and the prisoners to be brought into Court, which was accordingly done. After the disposal of various cases on the civil docket, the examination commenced:

Sam Clements (negro) appeared, sworn and testified as follows:

On Monday (April 18th) he fired a log heap and went to bed feeling some uneasiness about it. About midnight he was aroused by a noise in his yard and the barking of his dog, went to the door, thinking his crib had caught fire from the log heap and some neighbor was giving the alarm. On opening the door saw some 20 or 30 Ku Klux (or what he thought to be Ku Klux) he then went to his bed and sat down upon it; was asked to make a light, did so. They then placed a rope around his neck carried him to the woods and whipped him. The man that whipped him most was James Holleman. Holleman was particular to ask him (Clements) if he knew him (Holleman;) he (Clements) told him that he did not know whether he did or not; was asked whether he intended to report any one, said he did not know any one to report. He was then told that white men intended to rule the country, replied that he did not care if they did. He was then nailed, could not tell how many licks were struck him. Holleman had on a long white garment, could not tell how the others were dressed. They rode down to the creek and there alighted and hitched their horses. After they took him out he believed they whipped his wife, she said so, and he saw scars on her body. He had no doubt about it being Mr. Holleman but was not so positive as to Mr. Utley.

CROSS EXAMINATION.—It was certainly Monday night, was not so positive as to time, judging by the moon it was midnight. The men gave no particular reason for whipping him. Something was said about meat having been stolen from Mr. Lesley, at Holly Springs; he was asked something about a paper being stuck up, which said, that if a certain club, (he did not know what kind of club was meant,) was pestered by the Ku Klux, everything should be burnt up. He said that some two or three weeks before he was whipped, he heard that there was such a paper stuck up at three or four different places. He told them he knew nothing about the meat or the paper. He did not recollect much about the questions asked him; he knew the meat was talked about. They asked him if Mr. Monroe Church did not write the paper and he put it up, and they said they intended to whip him until he told all about it. He told them that he knew nothing of it. He was then asked if he intended to report any one; he replied that he knew no one to report. They then said if he did, they would certainly kill him. Some of the men were dressed in long white garments, having things on their faces that looked like sheep skins or fox skins, and some had white rags. Some like Holleman, had nothing on their faces; couldn't tell how many; didn't know them; they talked, but it was in disguised voices. Fifteen or twenty came in the house; carried him, he reckoned about two hundred yards. He was not as certain about Utley as Holleman.

Question.—And you swear that Utley was there?

Answer.—Yes.

Question.—Then, why are you not equally as certain about Utley if you can swear positively he was there?

The witness after hesitating awhile, said that Holleman was not disguised as Utley was; he knew Utley, as his face cloth having slipped down in such a manner as to allow him to see that portion of the face around the mouth through the eye hole. He made no complaint to any neighboring magistrate, but came down to Raleigh. About eleven colored persons came down to Raleigh with him. He could not swear to any others in the crowd, but thought that he recognized one Jesse Burt; he told several colored persons at his house, that he knew J. Burt. Richard Judd was his nearest neighbor, who lived about three hundred yards from him; James Barker was the next nearest, living about a quarter of a mile; James Howell lived about the same distance. They searched the house closely but did not say what they were looking for; did not know who took the guns but saw them taken, had some tobacco of which they took a part.

Re examined.—Was positive as to Holleman as he had no disguise and had a common hat on, and while satisfied as to the presence of Utley, was not so positive about him, knew him from his eyes and mouth; was well acquainted with both. [Here Clements proceeded to describe Messrs. Holleman and Utley.]

Thought he knew Burt but was not certain. They whipped him from the middle of the back down to his heels, could not tell how many licks they gave him over a hundred, he thought. Went back to the house by himself. Wilson Dewer, colored, came about half an hour afterwards, showed him the blood on his shirt. Dewer knew that he had been whipped as he came near the house while it was going on.

Ellen Howell, negress, was next sworn and examined. She lived about a half of a mile from Clements. The Ku Klux came to her house on Monday about midnight, and asked for her husband—told them he was not there—broke open the front and back doors. Told her to get up, which she did. Utley asked her if she knew him, she said she did not, he then lifted his doughface and said they intended to hang her old man.

Cross Examined.—Did not know where Utley lived now, he had got married and gone off. When the crowd left her house they made her go into the yard point out the way to Sam Clement's. Utley pulled off his doughface, would'nt know Mr. Holleman if she should meet him, didn't know any one else in the crowd. These men were drinky, could smell liquor all over the house. Heard them going to Sam Clements' whooping and "hollering."—They didn't take anything but broke open her chest.

After the conclusion of the testimony for the prosecution, the counsel for the defendants announced that they did not desire to introduce any testimony, and declared their readiness to give any reasonable bail. They stated, however, as an act of justice to their clients, that the defence was ample, that on the night when these outrages were committed both the defendants were at home with their respective families.

Judge Fowle then addressed the Court, urging in behalf of the prosecution, that a very substantial bail should be required in order to put an end to these outrages.—He suggested that in view of the enormity of the offence, he was instructed by the Solicitor to request the amount of bail to be fixed at $5,000.

Gov. Bragg followed. He unqualifiedly condemned the perpetrators of this and similar outrages, and of the numerous house-burnings and burglaries with which our county has been filled. The object of bail was simply to secure the presence of the accused at Court, and it could be seen that the amount demanded was excessive, and its probable effect would be to send the accused to jail.

Mr. R. C. Badger thought the offence committed was as henious as murder, and urged that the entire amount of $5,000 be required.

Mr. F. H. Busbee called the attention of the Court to the fact that the maximum punishment was just that of larceny and similar offences, expressed the assurance that no political reasons would move the Judge to demand a greater amount of bail than in offences of equal magnitude. He expressed his disapproval of the perpetrators of these midnight, cowardly outrages, and his earnest desire that the masked ruffians should be brought to condign punishment; but asked that the accused be entitled to their presumption of innocence until they be pronounced guilty by a jury of their peers.

A. M. Lewis, Esq., attempted to address the Court in behalf of the defendants, but his Honor informed him that he, Judge W., had already made up his opinion, and any subsequent remarks could not affect it.—After a few preliminary observations to the effect that no outside influence or political clamor could affect his opinion, his Honor said he should require a bail of TEN THOUSAND DOLLARS.

Gov. Bragg uttered a protest at the unprecedented amount, just double what the State had asked.

The following gentlemen were offered as sureties:

Messrs. Jesse Norris, James Burt, Wm. Holleman and —— Utley.

After the above mentioned gentlemen had been sworn, Mr. Norris was asked if he offered himself for both of the accused, he replied that he did. His Honor then proceeded to question Mr. N. as to his circumstances.

Mr. Norris swore that he was worth $20,000 above his liabilities and exemptions.

Mr. Burt swore that he was worth $5,000 above his liabilities and exemptions.

Mr. Holleman was worth from two to three thousand dollars Mr. Utley was worth from $1,200 to $1,800.

Here His Honor implied that he would not accept the bail offered, and indicated that it was his opinion that each one of the sureties should be worth $20,000.

Judge Fowle in behalf of the State, expressed himself as satisfied with Mr. Norris as bail for the accused.

His Honor said that no man shaped the opinion of this Court, he had a duty to perform and would do it.

Judge Fowle suggested that the District Attorney whom he represented, had some duties to perform in the matter.

His Honor then said as he was pressed to state the reasons for objecting to Mr. Norris, he would say, that he did it on the ground, that Mr. Norris stood indicted on the records of the Court for a similar outrage.

Gov. Bragg said the statement was not correct, and even if it were, he did not see how it could affect Mr. Norris as bail in this matter.

His Honor referred to the case of Thomas *vs.* Norris, which was an action for malicious prosecution, and said that in the evidence upon that trial it was developed that Mr. Norris had beaten a negro.

Judge Fowle stated to the Court that it was not Mr. Norris but his brother that had whipped the negro for stealing.

Mr. Busbee stated that Mr. Norris was not indicted, but was civilly sued, and that there was not even a suggestion that he had committed an assault and battery, as the Judge had stated.

Mr. Lewis stated that he was counsel for the plaintiff in the case alluded to, and, therefore, had no sympathy with Mr. Norris, but thought that justice demanded that Mr. Norris should not be accused so unjustly.

Gov. Bragg declared, in the first place, that Mr. Norris had been wronged by the accusation, and secondly, that the Court had only to consider whether or not Mr. Norris was sufficient bail which had been admitted by the State.

He protested against the utterly unprecedented action of the Court.

His Honor then admitted the bail and Court adjourned.

WALTHAM
WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these time-keepers.

More than 450 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which severe testing by the most skillful artisans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pinion of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mentioned improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co., - - Waltham.
Appleton, Tracy & Co., - - "
P. S. Bartlett, - - - - - - "
William Ellery, - - - - - "
Home Watch Co., - - - "

For sale at retail by all respectable dealers.

A descriptive circular giving much useful information sent to any address on application.

No watches retailed by the Company.

Address,

ROBBINS & APPLETON,
Gen'l Agents.

Ask to see the new FULL-PLATE WATCH bearing the trade mark "AMERICAN WATCH Co., Crescent st, Waltham, Mass." It is by far the best Full-plate Watch made in the United States, and surpasses anything heretofore made in this country for Railway Engineers, Conductors, &c.

BEING OVER $12,000,000 GREATER THAN THE NEW BUSINESS OF ANY OTHER LIFE INSURANCE Co. IN THE WORLD.

PURELY MUTUAL. DIVIDENDS PAYABLE AT THE END OF THE FIRST YEAR AND ANNUALLY THEREAFTER.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

THE SENTINEL.

CITY AND STATE ITEMS.

MONDAY, APRIL 25, 1870.

☞ Theo. N. Ramsay, as Business Clerk, is authorized to make contracts and give receipts, &c. &c.

NEW LAMPS.—Our city fathers have had two new street lamps erected in Western Ward—one in front of the A. M. E. Church, the other at the corner of the street west of the D. & D. Asylum lot. The latter is placed near the middle of the pavement and ought to be moved. We hope it will be done.

LAURA KEENE.—Miss Keene with her company opens at Tucker Hall to-night in the emotional Drama "Hunted Down," by Boucicault. A number of seats for this evening and also for Tuesday evening, were sold last week. We have no doubt the amusement seeking portion of our citizens will give this celebrated comedian, who has acquired a reputation in her profession beyond the power of stage critics to affect, a warm and hearty welcome to our city.

THANKS.—We return our thanks to C. M. Babbitt, Esq., of Bay River post office, for a club of ten subscribers with the cash, received on Saturday. Also to several other friends in various parts of the State for smaller clubs for the last few days.

TYPOGRAPHICAL.—At an adjourned meeting of the "Raleigh Typographical Union, No. 54," the following named gentlemen were elected to represent this Union at the regular meeting of the International Union, to meet in Cincinnati, Ohio, in June next:

C. B. EDWARDS, Delegate,
N. B. BROUGHTON, Alternate.

CORNS AND BUNIONS.—Dr. Lindoman, Surgeon Chiropodist, will remain in Raleigh until Wednesday 27th inst. This is the last chance; if you have corns, bunions or bad nails, don't fail to give him a call. Dr. Lindoman refers to the citizens of Raleigh. He cures without pain or drawing of blood. Room 42, Yarborough House. Ladies attended to at their residences without extra charge.

ILLICIT DISTILLING.—James Patterson, of Chatham, was examined before Commissioner Porter, on Saturday, on a charge of illicit distilling, and bound in a bond of $500 to answer at the next term of the U. S. District Court for North Carolina.

John and David McIver, of the same county, charged with the same offense, were dismissed for want of evidence.

We tasted yesterday, some of that delicious Turtle soup which Pepper and O'Connor serve to their customers nearly every day. Try it, and you will agree with us in saying that it is superb.

PROF. S. ADAMS LEE.—As the SENTINEL, in common with a number of the first citizens of Raleigh, has heretofore to some extent given this man a recommendation to the public, under what we now have reason to believe were false and forged representations and letters, we feel it due to ourself and to the public at large to say, all we may have spoken of him favorably is withdrawn until we have sufficient evidence to renew it. We are also authorized to say, in behalf of some gentlemen of this city to whom he has at times referred, that it is without their wish or consent that he does so. We feel confident from facts that have come to our knowledge that he is an impostor.

Hill and Simpson, the two men who escaped from the Wilson jail last week, have been retaken, and are now confined in the jail of Greene. We learn that they made an attempt to break into the house of some colored people in Greene, when three colored men succeeded in arresting them, tied them, carried them to Snow Hill and turned them over to the authorities there.—These colored men deserve much credit for their prompt and correct action in this matter.—*Plaindealer.*

Deserving of Confidence. There is no article which so richly deserves the entire confidence of the community as "*Brown's Bronchial Troches.*" The Troches have received flattering commendations from the most celebrated Clergymen, Lawyers, and Public Speakers, who speak from personal experience. Those suffering from Asthmatic and Bronchial Diseases, Coughs and Colds, should try the Troches.
ap 24-eod1w.

Another Giant Stride has been made in chemical science. PHALON'S VITALIA, OR SALVATION FOR THE HAIR, is an astonishing improvement on all preparations for restoring the natural color of gray hair, heretofore known. It is pellucid, cooling, limpid, inodorous, and never-failing, and has no sediment. Sold by all druggists and fancy goods dealers.
ap 24-eod1w

Dr. Tutt's Celebrated Expectorant No Mystery How it Acts.

First it detaches from the bronchial or wind tubes the mucus or matter which, sometimes adheres to them with the tenacity of glue. Secondly, It mitigates the pain and removes the constriction of the bronchial tubes and muscles of the chest. Thirdly, It resists the progress of inflammation and assists the lungs to throw off the irritating matter which accumulates.
ap 24-1weod

Infection in the Air.

Experimental chemists have repeatedly analyzed the air at unhealthy seasons, in the hope of detecting the invisible virus which produces epidemic disease. They have not yet discovered it and scarcely any two or them agree as to its nature. This is of little consequence. It is sufficient to know that this poisonous principle exists, and that a safeguard against its insidious influence has been provided. In the spring and early summer, when fever and ague, remittent fever, and other periodical diseases of that class are prevalent, it is only necessary to fortify the system with a course of Hostetter's Stomach Bitters to escape them. If this precaution has been neglected, which it never ought to be in any district liable to such visitations, and if the paroxysms of malarious fever have actually commenced, they may always be checked and broken by a course of that powerful vegetable tonic and alterative. Quinine was once considered the only specific for chills and fevers; but it is now generally admitted that this nauseous alkaloid is a dangerous medicine, and that its secondary effects are more to be dreaded than any form of intermittent fever. It is simply a tremendous astringent. It does not touch the disordered liver, or regulate the bowels, or in any way improve the condition of the animal fluids. Hostetter's Bitters, on the other hand, in addition to being a better and safer tonic than any preparation of quinine, has a balsamic effect upon the whole system. It is aperient and antibilious, as well as directly invigorating, and purifies the secretions as well as regulates the secretive organs. It stimulates the appetite, strengthens the stomach, soothes the nerves, promotes healthful perspiration, and induces quiet sleep. As a stomachic it has no rival.—Cases of indigestion that no other tonic seems capable of alleviating, are cured in a few weeks by its regular use.

A

HEROIC REMEDY!

HENRY'S
CARBOLIC
CONSTITUTION
RENOVATOR!

Based on Science, Prepared with Skill,

and all the available ingenuity and expertness, that the art of pharmacy of the present day can contribute. And

COMBINING IN CONCENTRATED FORM THE MOST

VALUABLE VEGETABLE JUICES
Known in the history of Medicines for
PURIFYING THE BLOOD,
Imparting
NUTRITION TO THE SYSTEM,
Tone to the Stomach,
And a Healthy action to the Liver, Kidneys, Secretive and Excretive Organs.

A DYING ZOUAVE

lay breathing is last on the battle field, his companions surged on and left him alone. They knew the cause of his approaching end it was the deadly bullet. No friendly voice could cheer him to life—no human skill could save him.

Thousands of Precious Lives

are to-day as rapidly sinking, and as surely tottering on to an untimely end, in Suffering, Agony, Wretchedness, and Ignorance of the cause which

Science can arrest and assuage,
Nourish into new Life and Vigor,
And cause the Bloom of Health
To dance once more upon their withered Cheeks.

DISEASE, LIKE A THIEF,

Steals upon its victims unawares, and before they are aware of its attack, plants itself firmly in the system, and through neglect or inattention becomes seated, and defies all ordinary or temporary treatment to relinquish its merciless grasp.

DO YOU KNOW THE CAUSE OF

The wasted form—the hollow cheek?
The withered face—the shallow complexion
The feeble voice—the sunken, glassy eye?
The emanciated form—the trembling frame?
The treacherous pimple—the torturing sore?
The repulsive eruption—the inflamed eye?
The pimpled face—the rough colorless skin?
and debilitating ailments of the present age?

The answer is simple, and covers the whole ground in all its phazes, viz: the

FANGS OF DISEASE
AND
HEREDITARY TAINT
ARE FIRMLY FIXED IN THE
FOUNTAIN OF LIFE—THE BLOOD.

The
INDISCRIMINATE VACCINATION
during the late war, with diseased Lymph has
TAINTED THE BEST BLOOD
in the entire land. It has planted the germ of the most melancholy disease in the veins of men, women and children on all sides, and nothing short of

A HEROIC REMEDY
will Eradicate it root and branch, forever.
Such a Remedy is

HENRY'S
CARBOLIC
CONSTITUTION
RENOVATOR.

ON REACHING THE STOMACH, it assimulates at once with the food and liquids therein, and from the moment it passes into the Blood, it attacks disease at its fountain head, in its germ and maturity, and dissipates it through the avenues of the organs with unerring certainty, and sends NEW AND PURE BLOOD BOUNDING THROUGH EVERY ARTERY AND VEIN.

The tubercules of Scrofula that sometimes flourish and stud the inner coating of the abdomen, like kernels of corn, are withered, dissolved and eradicated and the diseased parts nourished into life. The Torpid Liver and Inactive Kidneys are stimulated to a healthy secretion, and their natural functions restored to renewed health and activity.

Its action upon the blood, fluids of the body, and Glandular system, are

TONIC, PURIFYING AND DISINFECTANT,

its touch disease droops, dies, and the victim of its violence, as it were

LEAPS TO NEW LIFE.

It relieves the entire system of Pains and Aches, enlivens the spirits, and imparts a

Sparkling brightness to the eye,
A rosy glow to the Cheek,
A ruby tinge to the Lip,
A clearness to the Head,
A brightness to the Complexion,
A buoyancy to the Spirits,
And happiness on all sides.

Thousands have been rescued from the the verge of the grave by its timely use.

This remedy is now offered to the public with the most solemn assurance of its intrinsic medicinal virtues, and powerful Healing properties

FOR ALL AFFECTIONS OF THE
Kidneys, Retention of Urine,

WILMINGTON NORTH CAROLINA

LIFE INSURANCE COMPANY.

—[o]—

BOARD OF DIRECTORS:

JOHN DAWSON,	B. F. GRADY,
ALEXANDER JOHNSON, JR.,	DR. C. T. MURPHY,
CAPT. JOHN E. SPEARMAN,	COL. L. A. POWELL,
CAP. I. B. GRAINGER,	H. B. EILERS,

GEORGE W. WILLIAMS.

—[o]—

OFFICERS OF THE COMPANY:

JOHN DAWSON	PRESIDENT.
B. F. GRADY	VICE PRESIDENT AND TREASURER.
ALEXANDER JOHNSON, JR	SECRETARY.
DR. E. A. ANDERSON	MEDICAL DIRECTOR.
WM. A. WRIGHT AND C. M. STEDMAN	ATTORNEYS.
HON. ELIZUR WRIGHT	CONSULTING ACTUARY.
REV. B. F. MARABLE	GENERAL SUPERVISING AGENT.

THE PRINCIPAL OFFICE OF THE COMPANY IS LOCATED IN WILMINGTON, NORTH CAROLINA, No. 5, NORTH FRONT STREET.

THIS COMPANY WAS CHARTERED BY THE LEGISLATURE OF NORTH CAROLINA IN February 1869. The Charter is perpetual, and is very liberal in its provisions.

CAPITAL STOCK $300,000,

WITH PRIVILEGE TO INCREASE IT TO

$1,000,000.

The Board of Directors beg leave to say to the people of North Carolina, that this is emphatically A "HOME INSTITUTION." The stockholders are all North Carolinians; the members of the Board of Directors are all North Carolinians; the officers of the Company are ALL NORTH CAROLINIANS; and the Agents of the Company are all North Carolinians.

Most of the States of the Union, in which Insurance Companies are located, require a heavy deposit from Companies located in other States before being allowed to do business in them; and the Board of Directors of this Company, believing that it was nothing more than "EVEN HANDED JUSTICE" that the Legislature of North Carolina should pass a law requiring such Companies located outside of this State to make a deposit with the Treasurer of the State before being allowed to do business in it, petitioned the Legislature at its late session for the passage of such a law, but that Honorable Body turned a deaf ear to our humble petition and refused to do so. Now, we humbly submit that if it is just and right that Insurance Companies LOCATED IN NORTH CAROLINA should be required to make a deposit with the Treasurer of any of her sister States before being allowed to do business in them; then it is equally just and right that Insurance Companies located in such sister States should be required to make a deposit with the Treasurer of North Carolina before being allowed to do business in this State. The Legislatures of other States afford

PROTECTION TO THEIR INSURANCE COMPANIES,

and why in the name of common justice should not the Legislature of North Carolina do the same thing? Has the time not yet come when the "Rip Van Winkle of the South" should wake up? Are the people of the "Good Old North State" to remain forever behind their neighbors in the MARCH OF IMPROVEMENT? Why is it that we cannot establish Institutions of our own and protect and support them, and thereby keep our money at home to benefit our own people, in the same manner that the citizens of other States do? Look at the hundreds of thousands of dollars which go out of the pockets of the people of North Carolina annually, to enrich the Insurance Companies and benefit the people of other States; and what is worse than all, it goes to benefit the people of States which refuse to allow NORTH CAROLINA INSURANCE COMPANIES to do business in them without making a heavy deposit. We have not a single word to say against the Insurance Companies of other States; but as the Legislature of other States afford protection to their Insurance Companies, when such companies in this State are refused protection by our Legislature, we humbly submit that it is the duty of the people of the State to patronize and SUSTAIN OUR OWN COMPANIES; for by doing this they are but simply doing justice to themselves.

The Board of Directors and Officers of this Company assure the people of North Carolina that the Company commences the work of Life Insurance upon a SOUND AND RELIABLE BASIS; and they hereby pledge their honor that the management of the affairs of the company shall be such as will give perfect security and safety to all who may patronize it.

Our Table rates were calculated by the Hon Elizur Wright, the world-renowned Actuary, and may be relied upon as being correct.

This being a "HOME INSTITUTION," we have no long list of Directors and Stockholders, composed of distinguished gentlemen of other States to spread before you; but we have a respectable list of Stockholders, all of whom are North Carolinians, and a large portion of them will be recognized as being some of the BEST CITIZENS OF THE STATE. Nor have we a long array of names of eminent gentlemen abroad to refer to; but we respectfully refer to the good citizens generally of this community.

PATENT GLASS SUBMERGED
DOUBLE-ACTING FORCE PUMP.
SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 30 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the States of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases

MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

Do not Insure Your Life

UNTIL YOU ASCERTAIN FROM

P. F. PESCUD,

General Agent for North Carolina,

WHY THE

National Life Insurance Company,

OF THE

UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has issued nearly

10,000 POLICIES,

HAS A CASH CAPITAL OF

$1,000,000,

which was all paid in before a Policy was issued and which has already increased, fifty per cent. All the losses reported to 1st Jan'y last amounted to but $40,000, and as a further evidence of the great care observed in the selection of risks, 724 applications amounting to nearly $2,000,000, were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small amount spent for a Policy secures a larger amount of Cash Assetts, and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

GLOBE MUTUAL LIFE INSURANCE COMPANY,

CITY OF NEW YORK.

"STRONG, LIBERAL, SAFE, AND OF ESTABLISHED REPUTATION. THE GLOBE OFFERS EVERY INDUCEMENT TO PERSONS DESIROUS OF MAKING PROVISION FOR THOSE WHOM THEY MAY LEAVE BEHIND."

PLINY FREEMAN,	President.
LORING ANDREWS,	Vice President.
J. A. HADENBURGH,	2d Vice President
H. C. FREEMAN,	Secretary.

Managed by able men, thoroughly experienced in the business of Life Insurance; its business since its organization has exceeded that of any other Company for the corresponding period of its existence.

H. H. GOODLOE,	General Agent for N. C.
DR. E. BURKE HAYWOOD,	Examining Physician.
Gen'l. S. B. BUCKNER,	Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."

OFFICE, ON FAYETTEVILLE STREET,

SUCCESS THE CRITERION!

THE BEST MANAGED IS THE BEST COMPANY!

DE SOTO MUTUAL LIFE INSURANCE COMPANY,

OF ST. LOUIS, MISSOURI.

JAMES P. LUCAS, President.

CAPITAL STOCK, (PAID UP,) $150,000.00!

Stockholders bound for Double the Amount of Stock!

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.
